Gen. Robert J. Magill announces the reunion of the Florida division of Confederate Veterans, at Live Oak, Fla., October 20 and 21 next. The Democrat hereby publishes the following information regarding this event:

Jacksonville, Fla., Sept. 15, '09.

Order No. 4.

The major general commanding the reunion of the Florida division of Confederate Veterans, will be at Live Oak, Fla., Wednesday and Thursday, October 20 and 21 next. All Confederate veterans, army or navy, of the privilege of the floor) and the long-experienced wish of the citizens of Live Oak to entertain the veterans, and their zeal in securing the reunion in their city, as well as their reputation for public spirit, energy and true southern sentiment, warrants us in anticipating a most enthusiastic welcome and a happy reunion with our beloved comrades.

Each camp is entitled to one delegate for twenty members, and one additional for a fraction of ten members, provided that every camp in good standing is entitled to two delegates. As soon as delegates are selected the names of camps will at once report their names and those of alternates to these headquarters.

All camps in arrears are most earnestly requested to remit their dues, ten cents per capita, to this office at once, so as to be entitled to representation in the coming convention.

Transportation companies have made the usual reduced rate of one cent per mile for the round trip, plus twenty-five cents.

The major general commanding takes great pleasure in announcing the following appointments:

Division sponsor, Miss Ada Mae Robinson of Live Oak; division maid of honor, Miss Vivian Evans of Live Oak. These young ladies are grand-daughters of gallant and true Confederate soldiers, and as such will be honored officially and socially as representatives of this division, with that courteous consideration and sincere loyalty which their southern womanhood demands.

Brigade commanders are expected to make report of work done in their respective commands during the past year, and committees appointed at the last reunion will also present their report.

The major general commanding regrets to report the death of two of the division staff during the past year, Lieut.-Col. H. H. Spear, chief of artillery, and Maj. W. P. Johnson, aide-de-camp. Those beloved comrades will be sadly missed at our future reunions, at which they were once faithful attendants, and the veterans in their respective localities will also deeply feel their loss.

Lieut.-Col. John L. Pennicy, of Ward Camp, No. 10, of Pensacola, has been appointed chief of artillery, vice Lieut.-Col. H. H. Spear, deceased, and will be elected and respected accordingly.

Commanders of camps will please promulgate these orders to their camps, and staff officers of the division are also urged to assist in every way in trying to secure a large attendance at this reunion. The press of the state is also asked to lend us their usual generous aid and publish these orders.

By order of  
ROBERT J. MAGILL,  
Major General Commanding.
